

ARVIND RAMAMURTHY

Chief of Market Development at Abu Dhabi Global Market (ADGM)

Arvind Ramamurthy is the Chief of Market Development at Abu Dhabi Global Market (ADGM) and serves as the acting Chief Financial Officer at the international financial centre of the UAE's capital.

Under his leadership, ADGM has emerged as one of the most coveted financial districts, his role is primarily responsible to drive ecosystem development, new business growth, customer journey and sustainable finance initiatives for ADGM. Arvind further exercises a key role in the implementation of ADGM's cluster strategy and in the development of its vibrant ecosystem that can attract and enable new players to set up business in ADGM.

Additionally, Arvind is a member of the investment committee at the Abu Dhabi Investment Office (ADIO), an entity set up to focus on attracting investments and fostering economic growth in Abu Dhabi through innovation and business development within focus sectors. Arvind is also a board member on several Abu Dhabi entities.

During his 18 years of experience in strategic corporate finance across emerging markets, Arvind expert contributions included the execution of multiple projects such as complex transformations, restructuring activities, M&As and principal investments. Prior to joining ADGM, he held senior positions in different entities including ADNOC, Abu Dhabi Department of Finance, Abu Dhabi General Secretariat of the Executive Council and Deloitte.
