Important information

We recommend that you seek independent financial advice to ensure this Fund is suitable for your investment needs.

The value of this investment, and any income generated from it, can go down as well as up and will be affected by changes in interest rates, general market conditions and other political, social and economic developments, as well as by specific matters relating to the assets in which they invest. If the currency of this share class differs from your domestic currency, your returns may increase or decrease as a result of currency fluctuations. Past performance should not be taken as a guide to the future. The Fund's objective will not necessarily be achieved and there is no guarantee that these investments will make profits; losses may be made. The portfolio may change significantly over a short period of time. This is not a buy or sell recommendation for any particular security. This Fund may not be appropriate for investors who plan to withdraw their money within the short to medium term.

All the information contained in this communication is believed to be reliable but may be inaccurate or incomplete. Any opinions stated are honestly held but are not guaranteed and should not be relied upon.

This communication is provided for general information only and for distribution only in South Africa. It is not an invitation to make an investment nor does it constitute an offer for sale. The full documentation that should be considered before making an investment, including the Prospectus and Key Investor Information Documents, which set out the Fund specific risks, are available from Ninety One. A rating is not a recommendation to buy, sell or hold a fund. This Fund should be considered as a long-term investment and the manager gives no guarantee with respect to the capital or the return of the Fund. Performance shown is that of the Fund and individual investor performance may differ as a result of initial fees, actual investment date, date of any subsequent reinvestment and any dividend withholding tax.

The Fund is a sub-fund of the Ninety One Global Strategy Fund, which is a UCITS organised as a Société d'Investissement à Capital Variable under the law of Luxembourg whose registered number is 5635 and is also approved under the CIS Control Act. Collective investment schemes are traded at ruling prices and can engage in borrowing, up to 10% of portfolio net asset value to bridge insufficient liquidity, and scrip lending. Different classes of shares apply to the Fund and the information presented is for the most expensive class. The board of directors has the right to close the Fund to new investors in order to manage it more efficiently in accordance with its mandate.
