Important information

Collective investment schemes ('CIS') are generally medium to long term investments and Ninety One Fund Managers SA (RF) (Pty) Ltd ('the Manager') gives no guarantee with respect to the capital or the return of the Fund. Performance shown is that of the Fund and individual investor performance may differ as a result of initial fees, actual investment date, date of any subsequent reinvestment and any dividend withholding tax. CIS are traded at ruling prices and can engage in borrowing, up to 10% of Fund net asset value to bridge insufficient liquidity, and scrip lending. Quantifiable deductions are the initial fee whilst non-quantifiable deductions included in the net asset value price may comprise brokerage, MST, auditor's fees, bank charges, trustee and custodian fees. A schedule of charges, fees and adviser fees is available on request from the Manager which is registered under the CIS Control Act. Additional adviser fees may be paid and if so, are subject to the relevant FAIS disclosure requirements. Fund prices are published each business day at www.ninetyone.com and in select media publications. Different classes of units apply to the fund and the information presented is for the most expensive class. The Fund is not a bank deposit account. The price of each unit is aimed at a constant value. The total return to the investor is primarily made up of interest received and may also include any gain or loss made on any particular instrument. In most cases this will merely have the effect of increasing or decreasing the daily yield, but in an extreme case it can have the effect of reducing the capital value of the fund. Excessive withdrawals from the Fund may place it under liquidity pressures and in such circumstances a process of ring-fencing repurchase instructions and managed pay-outs over time may ensue. This Fund may be closed in order to be managed in accordance with the mandate. The Manager outsources its portfolio management to Ninety One SA (Pty) Ltd ('Ninety One'), a member of the Association for Savings and Investments SA (ASISA).
