PART I LETTER FROM THE CHAIRMAN OF NINETY ONE

Dear Shareholder

Recommended resolutions for the issue of shares in Ninety One Limited and Ninety One plc in connection with the acquisition of Sanlam's active asset management business.

1. Introduction

This letter from the Chairman forms part of the Circular and the definitions and interpretations in Part VI of this Circular apply to this Part I.

On 20 November 2024, Ninety One and the Sanlam Group jointly announced that Ninety One and Sanlam had entered into the binding Framework Agreement in terms of which the parties thereto agreed to establish a long-term strategic relationship whereby the Sanlam Group would appoint Ninety One as its primary active asset manager for its single-managed local and global products with preferred access to Sanlam's distribution network (the "**Proposed Transaction**").

Furthermore, Sanlam has agreed to serve as an anchor investor in Ninety One's international private and specialist credit investment strategies that meet its investment requirements.

The Framework Agreement envisaged that the Proposed Transaction would be implemented pursuant to a number of Operative Agreements. Certain of those Operative Agreements (referred to as the Implementation Operative Agreements) were entered into on 6 March 2025 between the Ninety One Group and the Sanlam Group (as described in further detail below). Pursuant to the Implementation Operative Agreements, the Proposed Transaction will be structured as follows:

SA Transaction

- SIH will dispose of its entire shareholding in SIM to Ninety One Limited (the "**SIM Sale**"). Prior to the closing of the Proposed Transaction and implementation of the SIM Sale, SIH will effect an intra-group reorganisation of the SIH group of companies (the "**SI Reorganisation**"). As part of the SI Reorganisation, all business activities and associated costs not forming part of the active asset management business will be transferred out of SIM;
- Sanlam Life and SIM will enter into certain investment management agreements pursuant to which SIM will be appointed as the primary active asset manager to manage the Sanlam Balance Sheet SA Assets (the "**Sanlam Life Transaction**");
- Sanlam and Ninety One will enter into an initial 15-year term strategic relationship, which will provide (among other things) for Ninety One to be granted preferred access to Sanlam's distribution network (together with the SIM Sale and the Sanlam Life Transaction, the "**SA Transaction**"); and

UK Transaction

- SI UK will transfer its active asset management business (including certain investment professionals currently employed by SI UK) to Ninety One UK, pursuant to which Ninety One UK will be appointed as the primary active asset manager for a specific portion of Sanlam's AUM referred to in paragraph 9 of this Part I below that is managed by SI UK as at the date of this document (the "**UK Transaction**").

As consideration for the Proposed Transaction, the Sanlam Group will receive 125,694,804 Ninety One Shares as a combination of Ninety One plc Shares and Ninety One Limited Shares, equating to an approximate 12.3% equity stake in Ninety One on a DLC basis, based on the total issued share capital of Ninety One as at the Last Practicable Date. Further details in relation to the split of the Ninety One Shares to be issued to the Sanlam Group are set out in paragraph 4 of this Part I.

While the UK Transaction and the SA Transaction are not inter-conditional, the parties are not obliged to complete the closing of the UK Transaction if prior thereto, the SA Transaction becomes incapable of completion. Each of the UK Transaction and the SA Transaction is subject to various suspensive conditions, including certain regulatory and other customary approvals. Additionally, the SA Transaction is subject to the completion of the SI Reorganisation and SIH minority shareholder approval. The SA Transaction is also subject to Ninety One shareholder approval of the Resolutions set out in this document given that: (i) the issuance of the Ninety One plc SA Transaction Consideration Shares and the Ninety One Limited SA Transaction Consideration Shares in connection with the SA Transaction exceeds the existing allotment authorities as approved by the Ninety One Shareholders at Ninety One's 2024 AGM; and (ii) under the structure of the Proposed Transaction, the Ninety One plc Shares to be issued in connection with the SA Transaction will for UK company law purposes be issued for cash or cash equivalent, requiring a disapplication of pre-emption rights.

The UK Transaction is not subject to Ninety One shareholder approval and the issuance of the Ninety One plc Shares to SI UK in connection with the UK Transaction will take place pursuant to Ninety One plc's existing allotment authority, as previously approved by Ninety One shareholders at its 2024 AGM (the "NPLC AGM Standing Authority") and thus no approval is being sought from Ninety One Shareholders for the UK Transaction. The UK Transaction is currently expected to close during Q2 2025 and the long stop date for the completion of the UK Transaction is 15 August 2025. The long stop date for completion of the SA Transaction is 31 March 2026. The closing dates for each of the UK Transaction and the SA Transaction will be dependent on the fulfilment of the suspensive conditions applicable to each transaction.

The remaining Operative Agreements will be entered into on or before closing of the UK Transaction or the SA Transaction (as applicable), as described further in paragraphs 3 and 7 of this Part I below.

The purpose of this document is therefore to:

- provide Ninety One Shareholders with the requisite information regarding the Resolutions to enable Ninety One Shareholders to make an informed decision as to how they will vote in respect of the Resolutions set out in the Notices of General Meetings and incorporated in this document;
- convene the General Meetings in terms of the Notices of General Meetings forming part of this document, for the Ninety One Shareholders to consider and, if deemed fit, with or without modification, to approve the Resolutions; and
- explain the reasons why the Ninety One Boards unanimously support and recommend that you vote in favour of the Resolutions.

Details of the specific actions you need to take to vote on the Resolutions are set out in the Notices of General Meetings which can be found in Parts VII and VIII of this document.

2. Background to the parties and rationale for the Proposed Transaction

Background to the parties

Ninety One, established in 1991 in South Africa, is an active investment manager for third-party clients, including South Africa's leading financial institutions. From its emerging market origins, the firm has built a global presence operating across more than 15 countries, including South Africa, Botswana, Namibia, the United Kingdom, the United States of America, Canada, Hong Kong, Singapore, Australia, Luxembourg, Germany, Guernsey, Abu Dhabi and Saudi Arabia. Ninety One plc has a primary listing on the London Stock Exchange and has a secondary inward listing on the Johannesburg Stock Exchange. Ninety One Limited has a primary listing on the Johannesburg Stock Exchange.

Sanlam, established in 1918, is the largest non-banking financial services group in Africa and is listed on the Johannesburg Stock Exchange, Namibia Securities Exchange and A2X Markets. Sanlam operates in 31 countries across Africa, the United Kingdom and Asia, including eight of the ten largest African

economies. Sanlam offers a wide range of financial solutions, including life and general insurance, health, financial planning, retirement, investments, wealth management and credit, to institutional and retail clients. As a leading player in the non-banking financial services sector, Sanlam has built an extensive distribution network within the South African market, delivering solutions to a diverse client base.

Rationale for the Proposed Transaction

For Ninety One, the Proposed Transaction strengthens its existing relationship with Sanlam. Ninety One will gain preferred access to Sanlam's distribution network, expanding its market reach into savings pools outside the normal reach of the Ninety One brand. This strategic relationship enables Ninety One to bolster its South African market leadership and reinforce its ability to deliver outcomes that benefit clients over the long term.

Furthermore, anchor investment will be provided by Sanlam for Ninety One to accelerate the expansion of its international private and specialist credit investment offerings. This strategic move complements Sanlam's own private credit initiatives and addresses its long-term need for high-quality private credit assets, positioning it to meet growing market demand effectively.

For Sanlam, the Proposed Transaction supports Sanlam's strategy to strengthen its market position in South Africa. Sanlam has a complete range of investment capabilities to ensure that assets can be managed optimally on behalf of clients and shareholders. As a core building block of its investment solutions, Sanlam's active asset management capability will be strengthened by this arrangement.

Sanlam selected Ninety One after identifying it as a pre-eminent South African active investment manager and in recognition of Ninety One's integrated approach to managing South African and offshore assets, reflecting the demands of an increasingly global industry. Over time, Sanlam anticipates that Ninety One's investment culture and research processes will further enhance the expertise of Sanlam's investment teams, enabling them to deliver enhanced outcomes for clients.

3. Implementation of the Proposed Transaction

In order to implement the Proposed Transaction, the Ninety One Group and the Sanlam Group entered into the following Implementation Operative Agreements on 6 March 2025, the salient features of which are described below:

SA Transaction

- Transaction Implementation Agreement: outlines a series of inter-connected transaction steps for the implementation of the SA Transaction including, inter alia, the sale to Ninety One Limited of all of the shares in SIM by SIH for the consideration described in paragraph 4 of this Part I below. The Transaction Implementation Agreement contains terms which are customary for transactions of this nature, such as but not limited to:
 - terms in respect of the sale of shares in SIM and the consideration due from Ninety One Limited in connection with the SA Transaction;
 - provisions relating to a customary restraint of trade on Sanlam;
 - certain customary protections for Ninety One including, but not limited to, the implementation of the SI Reorganisation; and
 - the suspensive conditions to the SA Transaction as described in more detail in paragraph 7 of this Part I below;
- Relationship Agreement: to be effective on Closing, which will govern the 15-year strategic relationship between Ninety One and the Sanlam Group and will include arrangements relating to the following matters:
 - the terms upon which Ninety One will be appointed by Sanlam as its primary active asset manager and be positioned to customers of Sanlam as the Sanlam Group's primary active asset manager;

- the terms upon which Ninety One will be granted preferred access to the Sanlam Group’s distribution network;
 - the terms governing the cooperation between Ninety One and the Sanlam Group on the development of new products, in respect of which Ninety One will have a right of first refusal and opportunity to participate in the development of products with an active asset management component;
 - a mutual reciprocal undertaking not to, during the period of the Relationship Agreement, enter into new partnerships, joint ventures or investments, be interested in or concerned with any main business or activity which competes with, and is of comparable scope and scale to the strategic relationship;
 - matters relating to termination of the Relationship Agreement which include the right (but not the obligation) of Sanlam and Ninety One to terminate the Relationship Agreement as a result of, *inter alia*, a change of control of either Ninety One or Sanlam, a material breach, an insolvency event, and performance related termination;
 - terms regulating the effects of termination; and
 - the terms upon which Sanlam has agreed to serve as an anchor investor in Ninety One’s international private and specialist credit investment strategies that meet its investment requirements;
- Sanlam Balance Sheet SA Assets IMAs: to be effective on Closing, setting out the terms for appointment of Ninety One (through SIM, post-Closing) as the primary active asset manager for the Sanlam Balance Sheet SA Assets; and

UK Transaction

- UK Transfer Agreement: governs the transfer of SI UK’s active asset management business, including the transfer of certain investment professionals, to Ninety One UK, for the consideration described in paragraph 4 of this Part I below. The UK Transfer Agreement contains terms which are customary for a transaction of this nature such as, but not limited to, terms in respect of the transfer of the active asset management business, the consideration due from Ninety One in connection with the UK Transaction, and the suspensive conditions for the UK Transaction as described in more detail in paragraph 7 of this Part I below. In addition, pursuant to the UK Transfer Agreement, the UK Investment Management Agreements setting out the terms for appointment of Ninety One UK as the primary active asset manager for the SI UK mandates will be entered into prior to closing of the UK Transaction.

4. Transaction consideration

As set out above, the parties have agreed that the consideration for the Proposed Transaction will be settled by the issue of a fixed number of Ninety One Shares. Sanlam Group will receive 125,694,804 Ninety One Shares, in a combination of Ninety One plc Shares and Ninety One Limited Shares, equating to an approximate 12.3% equity stake in Ninety One on a DLC basis, based on the total issued share capital as at the Last Practicable Date.

Ninety One and Sanlam have agreed that the consideration shall be due as follows:

- In connection with the completion of the UK Transaction, SI UK will be issued 13,675,595 Ninety One plc Shares (to be held on the Ninety One plc UK Register) (the “**Ninety One plc UK Transaction Consideration Shares**”), equivalent to approximately 2.0% of Ninety One plc (being approximately 1.3% of Ninety One on a DLC basis) post-Closing of the Proposed Transaction, calculated on the basis of Ninety One’s total ordinary issued share capital as at the Last Practicable Date.
- In connection with the completion of the SA Transaction and through the implementation of the series of inter-conditional transactions steps as set out in the Transaction Implementation Agreement:
 - SIH will be issued:

- 32,832,475 Ninety One plc Shares (to be held on the Ninety One plc SA Register) (the “**Ninety One plc SIH Consideration Shares**”) equivalent to approximately 4.8% of Ninety One plc post-Closing of the Proposed Transaction, calculated on the basis of Ninety One’s total ordinary issued share capital as at the Last Practicable Date; and
 - 66,592,115 Ninety One Limited Shares (the “**Ninety One Limited SA Transaction Consideration Shares**”), equivalent to approximately 19.5% of Ninety One Limited post-Closing of the Proposed Transaction, calculated on the basis of Ninety One’s total ordinary issued share capital as at the Last Practicable Date,
- which together will comprise approximately 9.7% of Ninety One on a DLC basis post-Closing of the Proposed Transaction, calculated on the basis of Ninety One’s total ordinary issued share capital as at the Last Practicable Date. Further details on SIH’s underlying shareholding structure are detailed in paragraph 10 of this Part I below; and
- Sanlam Life will be issued 12,594,619 Ninety One plc Shares (on the Ninety One plc SA Register) (the “**Ninety One plc Sanlam Life Consideration Shares**” and together with the Ninety One plc SIH Consideration Shares, the “**Ninety One plc SA Transaction Consideration Shares**”) equivalent to approximately 1.8% of Ninety One plc (being approximately 1.2% of Ninety One on a DLC basis) post-Closing of the Proposed Transaction, calculated on the basis of Ninety One’s total issued ordinary share capital as at the Last Practicable Date.

Paragraph 10 of this Part 1 sets out further information on Sanlam’s shareholding in Ninety One as a result of the Proposed Transaction.

In this document:

- the Ninety One plc SA Transaction Consideration Shares and the Ninety One Limited SA Transaction Consideration Shares, are together defined as the “**Ninety One SA Transaction Consideration Shares**”; and
- the Ninety One SA Transaction Consideration Shares and the Ninety One plc UK Transaction Consideration Shares are together defined as the “**Ninety One Consideration Shares**”.

5. Ninety One Shareholder approvals required

The Ninety One plc UK Transaction Consideration Shares to be issued in respect of the UK Transaction will be issued pursuant to the existing NPLC AGM Standing Authority such that no further Ninety One shareholder approvals are required for the UK Transaction.

The Ninety One SA Transaction Consideration Shares to be issued in respect of the SA Transaction are in excess of Ninety One plc’s and Ninety One Limited’s existing allotment authorities as approved by Ninety One Shareholders at Ninety One’s 2024 AGM. Additionally, although the Ninety One plc SA Transaction Consideration Shares will be issued in connection with the SA Transaction, the benefit of the SA Transaction will sit with Ninety One Limited and its subsidiaries. Ninety One Limited and its subsidiaries will therefore provide Ninety One plc with equivalent value in the form of cash equivalent consideration through the series of inter-conditional transaction steps set out in the Transaction Implementation Agreement. As a result, a disapplication of pre-emption rights in respect of the Ninety One plc SA Transaction Consideration Shares is required. The Ninety One Limited SA Transaction Consideration Shares are issued directly in exchange for the acquisition of shares in SIM and therefore disapplication of pre-emption rights is not required.

Accordingly, the General Meetings, to be held on Wednesday, 9 April 2025 at 10:30 (UK Time) / 11:30 (SA Time), the notices for which are set out on pages 40 to 42 and 47 to 50 of this Circular, are for the purpose of considering and, if thought fit, passing the Resolutions. A summary of the Resolutions is set out below, but please note that this does not contain the full text of the Resolutions and you should read

this section in conjunction with the Resolutions and the accompanying explanatory notes in the Notices of General Meetings on pages 40 to 42 and 47 to 50 of this Circular.

The Resolutions are required to authorise the following in connection with the SA Transaction:

- the issue of the Ninety One plc SA Transaction Consideration Shares;
- the issue of such number of Ninety One plc Special Converting Shares as is equal to the number of Ninety One Limited SA Transaction Consideration Shares, in accordance with the requirements of the Ninety One DLC Structure;
- the disapplication of pre-emption rights in respect of the issuance of the Ninety One plc SA Transaction Consideration Shares;
- the issue of the Ninety One Limited SA Transaction Consideration Shares; and
- the issue of such number of Ninety One Limited Special Converting Shares as is equal to the number of Ninety One plc SA Transaction Consideration Shares, in accordance with the requirements of the Ninety One DLC Structure.

All of the Resolutions are proposed as ordinary resolutions except the Resolution in respect of the disapplication of pre-emption rights which is proposed as a special resolution.

The Resolutions constitute joint electorate actions for the purposes of the Ninety One DLC Structure, and accordingly are submitted to all Ninety One Shareholders for approval at the General Meetings, with the votes of the two meetings being aggregated to determine the result.

6. Admission

Application will be made for: (i) all of the Ninety One plc SA Transaction Consideration Shares to be admitted to the equity shares (commercial companies) segment of the UK Official List and to trading on the London Stock Exchange's main market for listed securities and for the secondary inward listing and admission to trading of all of the Ninety One plc SA Transaction Consideration Shares on the main board of the Johannesburg Stock Exchange; and (ii) the primary listing and admission to trading of all of the Ninety One Limited SA Transaction Consideration Shares on the main board of the Johannesburg Stock Exchange.

Application will be also made for all of the Ninety One plc UK Transaction Consideration Shares to be admitted to the equity shares (commercial companies) segment of the UK Official List and to trading on the London Stock Exchange's main market for listed securities and for the secondary inward listing and admission to trading of all of the Ninety One plc UK Transaction Consideration Shares on the main board of the Johannesburg Stock Exchange.

The Ninety One plc SA Transaction Consideration Shares and the Ninety One plc UK Transaction Consideration Shares will, on and from Admission, rank equally in all respects with the existing Ninety One plc Shares in issue, including in respect of dividends and other distributions (if any) declared, made or paid. The Ninety One Limited SA Transaction Consideration Shares will, on and from Admission, rank equally in all respects with the existing Ninety One Limited Shares in issue, including in respect of dividends and other distributions (if any) declared, made or paid.

There will be no issuance of, or entitlement to, any fractions of Ninety One Shares as a result of the Proposed Transaction.

PART III
PRO FORMA FINANCIAL INFORMATION OF NINETY ONE

The definitions and interpretations in Part VI of this Circular apply to this Part III.

The Pro Forma Financial Information set out below has been prepared to illustrate the impact of the Proposed Transaction on the condensed consolidated financial statements of the Ninety One Group as at and for the six months ended 30 September 2024, based on the assumption that the Proposed Transaction was implemented on 1 April 2024 for purposes of the pro forma condensed consolidated statement of comprehensive income, and implemented on 30 September 2024 for purposes of the pro forma condensed consolidated statement of financial position.

The Pro Forma Financial Information has been prepared applying the guidance in the Guide on Pro Forma Financial Information issued by the South African Institute of Chartered Accountants.

The Pro Forma Financial Information has been prepared using the accounting policies of the Ninety One Group as at 30 September 2024 which are in accordance with IFRS® Accounting Standards as issued by the International Accounting Standards Board ("IFRS"), the SAICA Financial Reporting Guides as issued by the Accounting Practices Committee and Financial Reporting Pronouncements as issued by the Financial Reporting Standards Council.

Given its nature, the Pro Forma Financial Information may not fairly present the Ninety One Group's financial position, changes in equity, results of operations or cash flows after the Proposed Transaction.

The Pro Forma Financial Information, including the assumptions on which it is based and the financial information from which it has been prepared, is the responsibility of the Ninety One Boards.

The Pro Forma Financial Information should be read in conjunction with the Independent Auditor's assurance report thereon, which is presented in Part IV to this Circular.

Note 2 Revenue and operating expenses in relation to the Proposed Transaction for the six months ended 30 September 2024 have been extracted from reports prepared by Sanlam in respect of the Proposed Transaction titled "Financial information required from Sanlam for Circular" on which a review opinion was issued respectively by KPMG Inc. for SIM on 28 February 2025 and by Saffery LLP for SI UK on 27 February 2025.

	SIM	SI UK	Total
Revenue, comprising:			
Management fees	16.1	3.5	19.6
Performance fees	0.1	-	0.1
	<u>16.2</u>	<u>3.5</u>	<u>19.7</u>
Operating expenses, comprising Staff expenses	2.6	1.1	3.7

Operating expenses include the staff expenses of SIM and SI UK staff who will be employed by Ninety One on substantially similar terms and conditions to their current terms and conditions. Tax expense has been provided on UK and South Africa taxable profits at corporate tax rates of 25% and 27% respectively.

Note 3 Other pro forma adjustments are made up of:

- Operating expenses: This represents an estimation of direct operating expenses over and above staff expenses and is 25% of the staff expenses for staff being transferred as part of the Proposed Transaction adjusted for in Note 2. This apportionment is based on Ninety One's internal cost structure and was extracted from Ninety One's management accounts for the six months ended 30 September 2024. Tax has been provided against this adjustment at the South Africa corporate tax rate of 27%.
- Incremental implementation expenses are considered to be minimal and therefore no pro forma adjustment has been made in this regard. One-off advisor expenses in relation to the Proposed Transaction are estimated to total £5.4 million.
- Amortisation of intangible asset: The Proposed Transaction is accounted for as an acquired intangible asset of £216.7 million in terms of IAS38 Intangible Assets in the Ninety One pro forma condensed consolidated statement of financial position. This intangible asset is amortised over the period of the agreement, being 15 years, resulting in pro forma amortisation of £7.3 million for the six months ended 30 September 2024.

Other explanatory notes Ninety One will enter into a Transitional Services Agreement to ensure continuity in operation of SIM's business post-Closing. For the period of the Transitional Services Agreement the intention is that the impact is relatively cost neutral to both Sanlam and Ninety One and therefore does not result in any adjustments above.

The ZAR/GBP exchange rate assumed for the purpose of the pro forma condensed consolidated statement of comprehensive income for the six months ended 30 September 2024 is ZAR23.39/GBP, being the average exchange rate used for the Ninety One condensed consolidated statement of comprehensive income for the six months ended 30 September 2024.

All adjustments are expected to have a continuing effect except where otherwise stated.

Note 1 Extracted without adjustment from Ninety One's published reviewed condensed consolidated interim financial statements for the six months ended 30 September 2024, except for the number of shares in issue which was presented as 900.2 million shares and has been adjusted for 1.2 million shares cancelled shortly after the period end in connection with a share buyback.

Note 2 The Proposed Transaction is accounted for as an acquired intangible asset in terms of IAS38 Intangible Assets in the Ninety One pro forma condensed consolidated statement of financial position. This is to be settled through the issue of 125.7 million Ninety One Shares (being the Ninety One SA Transaction Consideration Shares and the Ninety One plc UK Transaction Consideration Shares). The pro forma adjustment is reflected at the implied Proposed Transaction value of £218.4 million as announced on 20 November 2024, inclusive of £1.7 million of cash and cash equivalents to cover estimated regulatory capital requirements. The Proposed Transaction value will be updated on Closing based on the closing price of Ninety One Limited Shares and Ninety One plc Shares.

In terms of the SI Reorganisation, the intention is that the entity transferred by Sanlam to Ninety One (i.e. SIM) only includes the agreements and employees subject to the Proposed Transaction.

Therefore, the only balances expected to be transferred to Ninety One are the net assets required to fund minimum regulatory capital as well as assets and liabilities that cannot be transferred to other entities within the Sanlam Group.

The latter items cannot be estimated at this stage and are expected to be minimal and/or offset by corresponding settlement between the parties, therefore the Pro Forma Financial Information reflects an adjustment for a SIM regulatory capital requirement of £1.7 million, based on the pro forma expense adjustments per the pro forma condensed consolidated statement of comprehensive income for the six months ended 30 September 2024 and calculated as 13 weeks of fixed operating expenses.

Note 3

Once-off advisor expenses in relation to the Proposed Transaction are estimated to total £5.4 million. These are reflected as settled through cash and cash equivalents on 30 September 2024.

Other explanatory notes

The ZAR/GBP exchange rate assumed for the purpose of the pro forma condensed consolidated statement of financial position at 30 September 2024 is ZAR22.89/GBP, being the period end rate used in the Ninety One condensed consolidated statement of financial position at 30 September 2024.

As part of this process, information about the Company's financial position and financial performance has been extracted by the Directors from Ninety One plc and Ninety One Limited's condensed consolidated interim financial statements for the period ended 30 September 2024, on which we issued a review report on 19 November 2024.

Accordingly, we do not provide any assurance that the actual outcome of the event or transaction would have been as presented.

A reasonable assurance engagement to report on whether the Pro Forma Financial Information has been compiled, in all material respects, on the basis of the Applicable Criteria involves performing procedures to assess whether the applicable criteria used by the Directors in the compilation of the Pro Forma Financial Information provide a reasonable basis for presenting the significant effects directly attributable to the event or transaction, and to obtain sufficient appropriate evidence about whether:

Ninety One Limited

To consider and, if deemed fit, to pass, with or without modification, the ordinary resolution of Ninety One Limited set out below:

3. Ordinary resolution – Directors’ authority to issue shares in Ninety One Limited

RESOLVED THAT, without prejudice to the authority conferred on the directors at Ninety One Limited’s 2024 annual general meeting (which remains in full force and effect) or such authority as may be conferred on the directors at Ninety One Limited’s 2025 annual general meeting, the directors be and are hereby generally and unconditionally authorised to issue:

- i. 66,592,115 Ninety One Limited ordinary shares, being equal to approximately 19.5% of the total issued ordinary share capital of Ninety One Limited as at 28 February 2025 in connection with the consideration due in respect of the SA Transaction (as defined in the Circular of which this Notice forms part); and
- ii. 45,427,094 special converting shares in Ninety One Limited to Ninety One SSC SA Proprietary Limited (“**SA Trust Co**”) as equals the number of Ninety One plc ordinary shares authorised to be issued in paragraph (i) of Resolution 1 above. The Ninety One Limited special converting shares are required by Ninety One’s dual listed companies’ structure and agreements.

Explanatory Notes for the above resolutions

Resolution 1 - Directors’ authority to allot shares and other securities in Ninety One plc

The Articles of Association of Ninety One plc permit the directors of Ninety One plc to allot shares and other securities in accordance with section 551 of the UK Companies Act, up to an amount authorised by the shareholders in a general meeting. The purpose of Resolution 1 above is to grant power to the directors to allot Ninety One ordinary shares and special converting shares in relation to the SA Transaction.

The authority in paragraph (i) of Resolution 1 above authorises the directors to allot Ninety One plc ordinary shares up to a maximum nominal amount of £4,542.71, which is equivalent to 45,427,094 shares, being approximately 6.7% of the total issued ordinary share capital of Ninety One plc as at 28 February 2025 (being the latest practicable date prior to the publication of this Notice).

The authority in paragraph (ii) of Resolution 1 above authorises the directors to allot 66,592,115 Ninety One plc special converting shares to reflect the number of ordinary shares issued by Ninety One Limited pursuant to Resolution 3 above, up to a nominal value of £ 6,659.22, per the requirements of the dual listed companies’ structure and agreements.

Shares held in treasury are not included for the purposes of the calculation of the nominal value of ordinary shares which may be allotted under this authority. As at 28 February 2025 (being the latest practicable date prior to the publication of this Notice), Ninety One plc holds no treasury shares for voting right purposes.

Resolution 2 – Directors’ authority to disapply pre-emption rights in relation to shares in Ninety One plc

If the directors of Ninety One wish to allot new shares and other equity securities, or sell treasury shares, for cash (other than in connection with an employee share scheme), UK company law requires these

shares to be offered first to shareholders in proportion to their existing holdings (known as pre-emption rights). These pre-emption rights can be modified and/or disapplied.

Under the structure of the Proposed Transaction, the Ninety One plc ordinary shares to be issued in connection with the SA Transaction will for UK company law purposes be issued for cash or cash equivalent. The purpose of Resolution 2 is to enable the directors to issue the Ninety One plc ordinary shares in connection with the SA Transaction without first having to offer such shares to Ninety One plc's existing shareholders.

Resolution 3 - Directors' authority to issue shares in Ninety One Limited

The issue of any of the authorised shares by Ninety One Limited is regulated by article 14 of the Ninety One Limited MOI, which provides *inter alia* that, subject to the Statutes (as such term is defined in the Ninety One Limited MOI) and the JSE Listings Requirements, where applicable, Ninety One Limited may in a general meeting authorise the directors to allot and issue all or any shares authorised by Ninety One Limited at such times and on such terms and conditions as they think proper.

The authority in paragraph (i) of Resolution 3 above authorises the directors to issue 66,592,115 Ninety One Limited ordinary shares, being equal to approximately 19.5% of the total issued ordinary share capital of Ninety One Limited as at 28 February 2025 (being the latest practicable date prior to the publication of this Notice) in relation to the SA Transaction.

The authority in paragraph (ii) of Resolution 3 above authorises the directors to issue 45,427,094 Ninety One Limited special converting shares to reflect the number of ordinary shares issued by Ninety One plc pursuant to Resolution 1 above, being approximately 6.7% of the total issued ordinary share capital of Ninety One plc as at 28 February 2025 (being the latest practicable date prior to the publication of this Notice), per the requirements of the dual listed companies' structure and agreements.

Voting will be on a poll which will remain open for sufficient time to allow the Ninety One Limited General Meeting to be held and for the votes to be ascertained and cast on a poll.
3. On the poll:
 - a. each ordinary share in Ninety One plc (other than those subject to voting restrictions) will have one vote;
 - b. the holder of the Ninety One plc special voting share will cast the same number of votes as were validly cast for and against the equivalent resolution by Ninety One Limited ordinary shareholders on the poll at the Ninety One Limited General Meeting;
 - c. the holder of the Ninety One plc special voting share will be obliged to cast these votes for and against the relevant resolutions in accordance with the votes cast for and against the equivalent resolution by Ninety One Limited shareholders on the poll at the Ninety One Limited General Meeting;
 - d. through this mechanism, the votes of the Ninety One Limited ordinary shareholders at the Ninety One Limited General Meeting will be reflected at Ninety One plc's General Meeting in respect of each joint electorate action; and
 - e. the results of the joint electorate action will be announced after both polls have closed.
4. Any member attending the meeting has the right to ask questions. Ninety One plc must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of Ninety One plc or the good order of the meeting that the question be answered.
5. A member who is entitled to attend and vote at the Ninety One plc General Meeting is entitled to appoint one or more persons as their proxy to exercise all or any of their rights to attend and to speak and vote at the meeting, provided that, if more than one proxy is appointed by a member, each proxy is appointed to exercise the rights attached to different shares held by that shareholder. A proxy need not be a member of Ninety One plc or Ninety One Limited. The following principles shall apply in relation to the appointment of multiple proxies:
 - (a) Ninety One plc will give effect to the intentions of Ninety One plc ordinary shareholders and include votes wherever and to the fullest extent possible.
 - (b) Where a proxy does not state the number of Ninety One plc ordinary shares to which it applies (a "blank proxy"), then, subject to the following principles where more than one proxy is appointed, that proxy is deemed to have been appointed, in the case of registered Ninety One plc ordinary shareholders, in relation to the total number of Ninety One plc ordinary shares registered in the name of the appointing Ninety One plc ordinary shareholder (the "Ninety One

- plc ordinary shareholder's entire holding**"). In the event of a conflict between a blank proxy and a proxy which does state the number of Ninety One plc ordinary shares to which it applies, Ninety One plc shall deal with such conflict in a manner that it, in its absolute discretion, sees fit.
- (c) Where there is more than one proxy appointed, and the total number of Ninety One plc ordinary shares in respect of which proxies are appointed is no greater than the Ninety One plc ordinary shareholder's entire holding of Ninety One plc ordinary shares, it is assumed that proxies are appointed in relation to different Ninety One plc ordinary shares, rather than that conflicting appointments have been made in relation to the same Ninety One plc ordinary shares. That is, there is only assumed to be a conflict where the aggregate number of Ninety One plc ordinary shares in respect of which proxies have been appointed exceeds the Ninety One plc ordinary shareholder's entire holding of Ninety One plc ordinary shares.
- (d) Subject to paragraph (b) above, when considering conflicting proxies, later proxies will prevail over earlier proxies and a later proxy will be determined on the basis of which proxy is the last sent (or, if Ninety One plc is unable to determine which is the last sent, the last received). Proxies in the same envelope will be treated as sent and received at the same time to minimise the number of conflicting proxies.
- (e) If conflicting proxies are sent or received at the same time in respect of (or deemed to be in respect of) a Ninety One plc ordinary shareholder's entire holding of Ninety One plc ordinary shares, none of them will be treated as valid.
- (f) Where the aggregate number of Ninety One plc ordinary shares (or beneficial entitlements thereto, as applicable) in respect of which proxies are appointed exceeds a Ninety One plc ordinary shareholder's entire holding of Ninety One plc ordinary shares, and it is not possible to determine the order in which they were sent or received, Ninety One plc shall determine the number of votes attributed to each form of proxy in its absolute discretion.
- (g) Where the application of paragraph (f) above gives rise to fractions of Ninety One plc ordinary shares, such fractions will be rounded down.
- (h) If a Ninety One plc ordinary shareholder appoints a proxy or proxies and then decides to attend the Ninety One plc General Meeting in person and vote using his or her poll card, then the vote in person will override the proxy vote(s). If the vote in person is in respect of the Ninety One plc ordinary shareholder's entire holding, then all proxy votes will be disregarded.
- (i) In relation to paragraph (h) above, in the event that a Ninety One plc ordinary shareholder does not specifically revoke proxies, it will not be possible for Ninety One plc to determine the intentions of the Ninety One plc ordinary shareholder in this regard. However, in light of the aim to include votes wherever and to the fullest extent possible, it will be assumed that earlier proxies should continue to apply to the fullest extent possible.
6. A form of proxy is enclosed with the Circular provided to Ninety One plc ordinary shareholders. The appointment of a proxy will not prevent a member from subsequently attending and voting at the meeting.
7. The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who has been nominated to receive communications from Ninety One plc in accordance with section 146 of the UK Companies Act ("**nominated persons**"). Nominated persons may have a right under an agreement with the registered shareholder who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.

8. To be effective, the instrument appointing a proxy and any power of attorney or other authority under which it was executed (or a duly certified copy of any such power or authority) must be either:
- (a) sent to Ninety One plc's registrars, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol, BS99 6ZY; or
- (b) the proxy appointment must be lodged using the CREST Proxy Voting Service in accordance with Note 15 below in each case so as to be received no later than 10:30 (UK Time) on Monday, 7 April 2025 or if the meeting is adjourned, not less than 48 (forty-eight) hours before the time fixed for the adjourned meeting.
9. Any corporation which is a shareholder can appoint one or more representatives who exercise on its behalf all of its powers as a shareholder provided that they do not do so in relation to the same shares.
10. In terms of the Uncertificated Securities Regulations 2001, as amended, and the Articles of Association of Ninety One plc, entitlement to attend and vote at the meeting and the number of votes which may be cast thereat will be determined by reference to the register of members of Ninety One plc at 18:00 (UK Time) on Monday, 7 April 2025 or if the meeting is adjourned, two days before the date fixed for the adjourned meeting, as the case may be. Changes to entries on the register of members after that time shall be disregarded in determining the rights of any person to attend and vote at the meeting.
11. As of 28 February 2025 (the latest practicable date prior to publication of this notice) Ninety One plc's issued capital consists of: 622,624,622 Ninety One plc ordinary shares of £0.0001 each; 274,905,909 Ninety One plc special converting shares of £0.0001 each; one UK DAS share of £0.0001; one UK DAN share of £0.0001; one Ninety One plc special voting share of £0.0001; and one Ninety One plc special rights share of £0.0001, all of which were fully paid or credited as fully paid. Ninety One plc holds no ordinary shares in treasury for voting right purposes and therefore the total number of voting rights in Ninety One plc is 622,624,622.
12. As of 28 February 2025 (the latest practicable date prior to publication of this notice) Ninety One Limited's issued capital consists of 274,905,909 Ninety One Limited ordinary shares; 622,624,622 Ninety One Limited special converting shares; one SA DAS share; one SA DAN share; one Ninety One Limited special rights share; and one Ninety One Limited special voting share, all of which were issued at no par value. Ninety One Limited holds no ordinary shares in treasury and therefore the total number of voting rights in Ninety One Limited is 274,905,909.
13. Ninety One plc and Ninety One Limited have each issued one special voting share to facilitate joint voting by shareholders of Ninety One plc and Ninety One Limited on joint electorate actions. As of 28 February 2025 (the latest date prior to publication of this notice) the combined total number of voting rights of Ninety One plc and Ninety One Limited is 897,530,531.
14. Ninety One plc ordinary shareholders who are CREST members who wish to appoint a proxy or proxies to attend electronically and vote at the Ninety One plc meeting through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
15. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear UK & International Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com/CREST). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by Computershare Investor Services PLC (ID 3RA50) by 10:30 (UK Time) on Monday, 7 April 2025 (or, in the case of an adjourned meeting, not less than 48 hours (excluding any part of a day that is not a business day) prior to the time and date set for the adjourned meeting). For this

purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which Computershare Investor Services PLC is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

16. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST or any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this respect, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
17. Ninety One plc may treat as invalid a CREST proxy instruction in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
18. Ninety One plc ordinary shareholders on the South African branch of Ninety One plc's share register who have dematerialised their Ninety One plc ordinary shares (a "**Dematerialised Shareholder**") must NOT complete the form of proxy but instead must contact their CSDP or broker of their intention to attend the Ninety One plc General Meeting, and request their CSDP or broker to issue them with the necessary authorisation to attend the Ninety One plc General Meeting in person or provide their CSDP or broker with their voting instructions should they not wish to attend the Ninety One plc General Meeting in person. These instructions must be provided to the CSDP or broker by the cut-off time and date advised by the CSDP or broker for instructions of this nature. If your CSDP or broker does not obtain instructions from you, they will be obliged to act in terms of the mandate furnished to them by you. Ninety One does not accept responsibility and will not be held liable for any failure on the part of the CSDP or broker of a Dematerialised Shareholder to notify such Dematerialised Shareholder of the Ninety One plc General Meeting or any business to be conducted thereat.

In terms of sections 59(1)(a) and (b) of the South African Companies Act, No. 71 of 2008, as amended (the "**South African Companies Act**"), the Ninety One Limited Board has set the record date for the purpose of determining which shareholders are entitled to:

A proxy need not be a shareholder.

Ninety One Limited Shareholders who have not dematerialised their shares or who have dematerialised their shares with "own name" registration, and who are entitled to attend electronically, participate in and vote at the General Meeting, and who do not deliver forms of proxy to the transfer secretaries in South Africa by the relevant time, will nevertheless be entitled to lodge the form of proxy in respect of the General Meeting immediately prior to the exercising of the shareholders' rights at the general meeting, in accordance with the instructions therein, by emailing it to proxy@computershare.co.za.

Ninety One Limited Shareholders who have dematerialised their shares, other than those shareholders who have dematerialised their shares with "own name" registration, should contact their CSDP or broker in the manner and within the time stipulated in the agreement entered into between them and their CSDP or broker:

In accordance with section 65(4) of the South African Companies Act, Ninety One Limited Shareholders are referred to the Part I of the Circular (of which this Notice forms part) as explanatory material accompanying these resolutions.

Ninety One plc

To consider and, if deemed fit, to pass, with or without modification, the ordinary resolutions and special resolution of Ninety One plc set out below:

1. Ordinary resolution – Directors’ authority to allot shares and other securities in Ninety One plc

RESOLVED THAT, without prejudice to the authority conferred on the directors at Ninety One plc’s 2024 annual general meeting (which remains in full force and effect) or such authority as may be conferred on the directors at Ninety One plc’s 2025 annual general meeting, the directors be and are hereby generally and unconditionally authorised pursuant to and in accordance with section 551 of the UK Companies Act 2006 (the “**UK Companies Act**”) to exercise all the powers of Ninety One plc to allot shares in Ninety One plc or to grant rights to subscribe for, or to convert any security into shares up to an aggregate nominal amount of:

- i. £4,542.71 in respect of Ninety One plc ordinary shares of £0.0001 each, being 45,427,094 Ninety One plc ordinary shares, being an amount equal to approximately 6.7% of the total issued ordinary share capital of Ninety One plc as at 28 February 2025 in connection with the consideration due in respect of the SA Transaction (as defined in the Circular of which this Notice forms part); and
- ii. £6,659.22 in respect of Ninety One plc special converting shares of £0.0001 each, enabling the allotment of 66,592,115 Ninety One plc special converting shares, being equal to approximately 19.5% of the total issued ordinary shares in the authorised capital of Ninety One Limited as at 28 February 2025 in connection with the SA Transaction. The Ninety One plc special converting shares are required by Ninety One’s dual listed companies’ structure and agreements.

Such authority to expire on 30 September 2026 (unless previously renewed, revoked or varied by resolution of Ninety One plc), save that Ninety One plc may, before such expiry, make offers or enter into agreements which would or might require shares to be allotted or rights to subscribe for or to convert any securities into shares to be granted after the authority expires.

2. Special Resolution – Directors’ authority to disapply pre-emption rights in relation to shares in Ninety One plc

RESOLVED THAT, subject to the passing of Resolution 1 above, the directors be authorised to allot ordinary shares in Ninety One plc wholly for cash pursuant to the authority granted by Resolution 1 above as if section 561(1) of the UK Companies Act did not apply to any such allotment, such authority to be limited to allotments up to an aggregate nominal amount of £4,542.71, such authority to expire on 30 September 2026 (unless previously renewed, revoked or varied by resolution of Ninety One plc), save that Ninety One plc may, before such expiry, make offers or enter into agreements which

would or might require shares to be allotted after the authority expires and the directors may allot ordinary shares under any such offer or agreement as if the authority had not expired.

Ninety One Limited

To consider and, if deemed fit, to pass, with or without modification, the ordinary resolution of Ninety One Limited set out below:

3. Ordinary resolution – Directors’ authority to issue shares in Ninety One Limited

RESOLVED THAT, without prejudice to the authority conferred on the directors at Ninety One Limited’s 2024 annual general meeting (which remains in full force and effect) or such authority as may be conferred on the directors at Ninety One Limited’s 2025 annual general meeting, the directors be and are hereby generally and unconditionally authorised to issue:

- i. 66,592,115 Ninety One Limited ordinary shares, being an amount equal to approximately 19.5% of the total issued ordinary share capital of Ninety One Limited as at 28 February 2025 in connection with the consideration due in respect of the SA Transaction (as defined in the Circular of which this Notice forms part); and
- ii. 45,427,094 special converting shares in Ninety One Limited to Ninety One SSC SA Proprietary Limited (“**SA Trust Co**”) as equals the number of Ninety One plc ordinary shares authorised to be issued in paragraph (i) of Resolution 1 above. The Ninety One Limited special converting shares are required by Ninety One’s dual listed companies’ structure and agreements.

Explanatory Notes for the above resolutions

Resolution 1 - Directors’ authority to allot shares and other securities in Ninety One plc

The Articles of Association of Ninety One plc permit the directors of Ninety One plc to allot shares and other securities in accordance with section 551 of the UK Companies Act, up to an amount authorised by the shareholders in a general meeting. The purpose of Resolution 1 above is to grant power to the directors to allot Ninety One ordinary shares and special converting shares in relation to the SA Transaction.

The authority in paragraph (i) of Resolution 1 above authorises the directors to allot Ninety One plc ordinary shares up to a maximum nominal amount of £4,542.71, which is equivalent to 45,427,094 shares, being approximately 6.7% of the total issued ordinary share capital of Ninety One plc as at 28 February 2025 (being the latest practicable date prior to the publication of this Notice).

The authority in paragraph (ii) of Resolution 1 above authorises the directors to allot 66,592,115 Ninety One plc special converting shares to reflect the number of ordinary shares issued by Ninety One Limited pursuant to Resolution 3 above, up to a nominal value of £6,659.22, per the requirements of the dual listed companies’ structure and agreements.

Shares held in treasury are not included for the purposes of the calculation of the nominal value of ordinary shares which may be allotted under this authority. As at 28 February 2025 (being the latest practicable date prior to the publication of this Notice), Ninety One plc holds no treasury shares for voting right purposes.

Resolution 2 - Directors’ authority to disapply pre-emption rights in relation to shares in Ninety One plc

If the directors of Ninety One wish to allot new shares and other equity securities, or sell treasury shares, for cash (other than in connection with an employee share scheme), UK company law requires these shares to be offered first to shareholders in proportion to their existing holdings (known as pre-emption rights). These pre-emption rights can be modified and/or disappplied.

Under the structure of the Proposed Transaction, the Ninety One plc ordinary shares to be issued in connection with the SA Transaction will for UK company law purposes be issued for cash or cash equivalent. The purpose of Resolution 2 is therefore to enable the directors to issue the Ninety One plc

ordinary shares in connection with the SA Transaction without first having to offer such shares to Ninety One plc's existing shareholders.

Resolution 3 - Directors' authority to issue shares in Ninety One Limited

The issue of any of the authorised shares by Ninety One Limited is regulated by article 14 of the Ninety One Limited MOI, which provides *inter alia* that, subject to the Statutes (as such term is defined in the Ninety One Limited MOI) and the JSE Listings Requirements, where applicable, Ninety One Limited may in a general meeting authorise the directors to allot and issue all or any shares authorised by Ninety One Limited at such times and on such terms and conditions as they think proper.

The authority in paragraph (i) of Resolution 3 above authorises the directors to issue 66,592,115 Ninety One Limited ordinary shares, being equal to approximately 19.5% of the total issued ordinary share capital of Ninety One Limited as at 28 February 2025 (being the latest practicable date prior to the publication of this Notice) in relation to the SA Transaction.

The authority in paragraph (ii) of Resolution 3 above authorises the directors to issue 45,427,094 Ninety One Limited special converting shares to reflect the number of ordinary shares issued by Ninety One plc pursuant to Resolution 1 above, being approximately 6.7% of the total issued ordinary share capital of Ninety One plc as at 28 February 2025 (being the latest practicable date prior to the publication of this Notice), per the requirements of the dual listed companies' structure and agreements.

By order of the Board,

Ninety One Africa Proprietary Limited

Company Secretary

36 Hans Strijdom Avenue

Foreshore, Cape Town

8001, South Africa

Thursday, 6 March 2025

Shareholder Notes:

1. All of the above resolutions are joint electorate actions under the Ninety One Limited MOI and, accordingly, both the holders of ordinary shares in Ninety One Limited and the holder of the special voting share in Ninety One Limited are entitled to vote. Voting will be on a poll which will remain open for sufficient time to allow the Ninety One Limited General Meeting to be held and for the votes to be ascertained and cast on a poll.
2. On the poll:
 - (a) each ordinary share in Ninety One Limited (other than those subject to voting restrictions) will have one vote;
 - (b) in terms of clause 53.1.4 (as read with clause 52.2.1) of the MOI, the holders of the Ninety One Limited special voting share will cast the same number of votes as were validly cast for and against the equivalent resolution by Ninety One plc shareholders on the poll at the Ninety One plc General Meeting;
 - (c) the shareholder of the Ninety One Limited special voting share will be obliged to cast these votes for and against the relevant resolutions in accordance with the votes cast for and against the equivalent resolution by Ninety One plc shareholders on the poll at the Ninety One plc General Meeting;
 - (d) through this mechanism, the votes of the Ninety One plc shareholders at the Ninety One plc general meeting will be reflected at Ninety One Limited's General Meeting in respect of each joint electorate action; and
 - (e) the results of the joint electorate actions will be announced after both polls have closed.
3. A shareholder who is entitled to attend electronically and vote at the Ninety One Limited General Meeting is entitled to appoint one or more persons as his or her proxy to exercise all or any of his or her rights to attend and to speak and vote at the Ninety One Limited General Meeting, provided that, if more than one proxy is appointed, concurrently by a shareholder, each proxy is appointed to exercise the rights attached to different shares held by that shareholder. The following principles shall apply in relation to the appointment of multiple proxies:
 - (a) Ninety One Limited will give effect to the intentions of Ninety One Limited ordinary shareholders and include votes wherever and to the fullest extent possible.
 - (b) Where a proxy does not state the number of Ninety One Limited ordinary shares to which it applies (a "blank proxy"), then, subject to the following principles where more than one proxy is appointed, that proxy is deemed to have been appointed, in the case of registered Ninety One Limited ordinary shareholders, in relation to the total number of Ninety One Limited ordinary shares registered in the name of the appointing Ninety One Limited ordinary shareholder (the "Ninety One Limited ordinary shareholder's entire holding"). In the event of a conflict between a blank proxy and a proxy which does state the number of Ninety One Limited ordinary shares to which it applies, Ninety One shall deal with such conflict in a manner that it, in its absolute discretion, sees fit.
 - (c) Where there is more than one proxy appointed, and the total number of Ninety One Limited ordinary shares in respect of which proxies are appointed is no greater than the Ninety One Limited ordinary shareholder's entire holding of Ninety One Limited ordinary shares, it is assumed that proxies are appointed in relation to different Ninety One Limited ordinary shares, rather than that conflicting appointments have been made in relation to the same Ninety One Limited ordinary shares. That is, there is only assumed to be a conflict where the aggregate number of Ninety One Limited ordinary shares in respect of which proxies have been appointed exceeds the Ninety One Limited ordinary shareholder's entire holding of Ninety One Limited ordinary shares.

- (d) Subject to paragraph (b) above, when considering conflicting proxies, later proxies will prevail over earlier proxies and a later proxy will be determined on the basis of which proxy is the last sent (or, if Ninety One Limited is unable to determine which is the last sent, the last received). Proxies in the same envelope will be treated as sent and received at the same time to minimise the number of conflicting proxies.
 - (e) If conflicting proxies are sent or received at the same time in respect of (or deemed to be in respect of) a Ninety One Limited ordinary shareholder's entire holding of Ninety One Limited ordinary shares, none of them will be treated as valid.
 - (f) Where the aggregate number of Ninety One Limited ordinary shares (or beneficial entitlements thereto, as applicable) in respect of which proxies are appointed exceeds a Ninety One Limited ordinary shareholder's entire holding of Ninety One Limited ordinary shares, and it is not possible to determine the order in which they were sent or received, Ninety One Limited shall determine the number of votes attributed to each form of proxy in its absolute discretion.
 - (g) Where the application of paragraph (f) above gives rise to fractions of Ninety One Limited ordinary shares, such fractions will be rounded down.
 - (h) If a Ninety One Limited ordinary shareholder appoints a proxy or proxies and then decides to electronically attend the Ninety One Limited General Meeting in person and vote using his or her poll card, then the vote in person will override the proxy vote(s). If the vote in person is in respect of the Ninety One Limited ordinary shareholder's entire holding, then all proxy votes will be disregarded.
 - (i) In relation to paragraph (h) above, in the event that a Ninety One Limited ordinary shareholder does not specifically revoke proxies, it will not be possible for Ninety One Limited to determine the intentions of the Ninety One Limited ordinary shareholder in this regard. However, in light of the aim to include votes wherever and to the fullest extent possible, it will be assumed that earlier proxies should continue to apply to the fullest extent possible.
4. A proxy need not be a shareholder of Ninety One plc or Ninety One Limited. The person whose name stands first on the Form of Proxy and who is present at the general meeting, will be entitled to act as proxy to the exclusion of those whose names follow. Should a proxy not be specified, this will be exercised by the chairman of the meeting.
 5. If you are a Ninety One Limited Shareholder who holds Ninety One Limited Shares in Certificated Form, or in Uncertificated Form with "own-name" registration, you will find attached a Form of Proxy, for use in connection with the Ninety One Limited General Meeting. If you wish to appoint more than one proxy, please note that a space has been included in the Form of Proxy to allow you to specify the number of Ninety One Shares in respect of which that proxy is appointed and, furthermore, you should contact the transfer secretaries to obtain further Forms of Proxy or photocopy the Forms of Proxy as required. Apart from completing and returning the Form of Proxy, you need take no further action. The appointment of a proxy will not prevent a shareholder from subsequently attending electronically and voting at the Ninety One Limited General Meeting.
 6. It is requested that the instrument appointing a proxy and any power of attorney or other authority under which it is executed (or a duly certified copy of any such power or authority) be deposited at the transfer secretary's office at Rosebank Towers, 15 Biermann Avenue, Rosebank 2196 or, email it to proxy@computershare.co.za to be received on or before 11:30 (SA Time) on Monday, 7 April 2025. Shareholders who have not dematerialised their shares or who have dematerialised their shares with "own name" registration, and who are entitled to attend, participate in and vote at the Ninety One Limited General Meeting, and who do not deliver forms of proxy to the transfer secretaries in South Africa by the relevant time, will nevertheless be entitled to lodge the Form of Proxy in respect of the Ninety One Limited General Meeting in accordance with the instructions therein by emailing it to: proxy@computershare.co.za.

7. Ninety One Limited Shareholders who hold their Ninety One Limited Shares in Uncertificated Form and do not have "own-name" registration must NOT complete the Form of Proxy but instead must contact their CSDP or broker in the manner and within the time stipulated in the agreement entered into between them and their CSDP or broker:
 - a. to furnish them with their voting instructions; or
 - b. in the event that they wish to attend the Ninety One Limited General Meeting in person, to obtain the necessary letter of representation to do so.
8. These instructions must be provided to the CSDP or broker by the cut-off time and date advised by the CSDP or broker for instructions of this nature. If your CSDP or broker does not obtain instructions from you, they will be obliged to act in *terms of the mandate furnished to them by you*. The record date for the purposes of determining which shareholder will be entitled to participate in, and vote at the Ninety One Limited General Meeting and the number of votes which they may cast thereat will be determined by reference to Ninety One Limited's securities register at 18:00 (SA Time) on Friday, 4 April 2025, or if the meeting is adjourned, at 18:00 (SA Time) on the Friday before the date fixed for the adjourned meeting, as the case may be.
9. Any corporation which is a shareholder can appoint one or more representatives who exercise on its behalf all of its powers as a shareholder that they do not do so in relation to the same shares.
10. A copy of this notice can be found at www.ninetyone.com/sanlamcircular.

If returned without an indication as to how the proxy shall vote on any particular matter, the proxy will exercise his discretion as to whether, and if so how, he votes (or if this form of proxy has been issued in respect of a designated account for a shareholder, the proxy will exercise his discretion as to whether, and if so how, he votes).
3. A shareholder entitled to attend and vote at the general meeting is entitled to appoint any one or more individuals (who need not be a shareholder of the Company) as a proxy to attend electronically, speak and, on a poll, vote in his place at the general meeting, provided that, if more than one proxy is concurrently appointed by a shareholder, each proxy is appointed to exercise the rights attaching to different shares held by that shareholder. Such shareholder may insert the name of a proxy or the names of two alternative proxies of the shareholder's choice in the space provided, with or without deleting "the chairman of the meeting", provided that any such deletion must be signed in full by the shareholder. The person whose name stands first on the form of proxy and who is present at the General Meeting will be entitled to act as proxy to the exclusion of those whose names follow. Should a proxy not be specified, this will be exercised by the Chairman of the General Meeting.
4. Each Resolution is to be decided on a poll and a shareholder or his or her proxy shall have one vote for every share held. You are not obliged either to cast all your votes or to cast all your votes in the same way. Please instruct your proxy how to vote by either:
 - (i) marking the appropriate box with an "X" next to each Resolution, in which event the proxy will cast all your votes in the manner so specified; or
 - (ii) setting out the number of votes to be cast in each box (i.e. in favour of and/or against and/or by way of abstention) in respect of each Resolution, provided that, if for any Resolution the aggregate number of votes to be cast would exceed the total number of shares held, you will be deemed to have given no specific instruction as to how you wish your proxy to vote in respect of that Resolution. Your proxy will have discretion to vote in respect of your total holding on any Resolution on which you have not (or are deemed not to have) given specific instruction as to how to vote and, unless instructed otherwise, on any business which may properly come before the meeting.
5. The date must be filled in on this form of proxy when it is signed.
6. If you are signing in a representative capacity, whether for another person or for an organisation, then, in order for this form to be valid, you must include a power of attorney or other written authority that authorises you to sign (or a certified copy of such power or authority).
7. In the case of a company, the form of proxy should either be sealed by the company or signed by a director or an authorised signatory (and the provisions of paragraph 5 shall apply to such authorised signatory).
8. In the case of joint holders, only one needs to sign. If more than one joint holder votes, whether electronically by audiocast or by proxy, only the most senior shareholder who renders a vote, whether electronically by audiocast or by proxy, will be counted. For this purpose, seniority is determined by the order in which shareholders' names appear in the register for that share.
9. Any alteration or correction made to this form of proxy must be initialled by the signatory or signatories.
10. A minor must be assisted by his or her parent/guardian and the relevant documentary evidence establishing his or her legal capacity must be attached to this form of proxy unless previously recorded by the company or waived by the chairman of the general meeting.
11. The chairman of the general meeting may reject or accept any proxy form which is completed and/or received other than in compliance with these notes.
12. The return of this form of proxy will not prevent you from attending the meeting and voting electronically by audiocast.
13. A proxy may not delegate his or her authority to act on behalf of the shareholder to another person.

14. The appointment of a proxy or proxies:
- (i) is suspended at any time to the extent that the shareholder chooses to act directly in the exercise of any rights as a shareholder;
 - (ii) is revocable, in which case the shareholder may revoke the proxy appointment by:
 - (a) cancelling it in writing or making a later inconsistent appointment of a proxy; and
 - (b) delivering a copy of the revocation instrument to the proxy and to the Company.
15. Should the instrument appointing a proxy or proxies have been delivered to the Company, as long as the appointment remains in effect, any notice that is required by the South African Companies Act, or the Company's Memorandum of Incorporation to be delivered by such company to the shareholder, must be delivered by such company to:
- (i) the shareholder; or
 - (ii) the proxy or proxies, if the shareholder has directed the company to do so in writing and has paid any reasonable fee charged by the company for doing so.
16. The proxy appointment remains valid only until the end of the relevant meeting at which it was intended to be used, unless revoked as contemplated in section 58(5) of the South African Companies Act.
17. It is requested that this form of proxy be deposited at the company's transfer secretaries as soon as possible and, in any event, so as to be received no later than 48 hours (excluding any part of a day that is not a business day) before the time appointed for the meeting:

Computershare Investor Services Proprietary Limited

Rosebank Towers
 15 Biermann Avenue Rosebank 2196
 Private Bag X9000, Saxonwold 2132
 or email it to: proxy@computershare.co.za

Notwithstanding the above, forms of proxy not delivered by the relevant time can nevertheless be lodged with the transfer secretaries via email (proxy@computershare.co.za) at any time before the proxy exercises any rights of the shareholder at the meeting.
