

This Product Highlights Sheet is an important document.

- It highlights the key terms and risks of the Global Managed Income Fund (the “Sub-Fund”), a sub-fund of the Ninety One Global Strategy Fund (the “Fund”), and complements the Prospectus¹.
- It is important to read the Prospectus before deciding whether to purchase shares in the Sub-Fund (“Shares”). If you do not have a copy, please contact us to ask for one.
- You should not invest in the Sub-Fund if you do not understand it or are not comfortable with the accompanying risks.
- If you wish to purchase the Shares, you will need to make an application in the manner set out in the Prospectus.

PRODUCT SUITABILITY			
WHO IS THE PRODUCT SUITABLE FOR?			Further Information
<ul style="list-style-type: none"> • The Sub-Fund is <u>only</u> suitable for investors who: <ul style="list-style-type: none"> ○ intend to have a long-term investment horizon; and ○ understand that the risk to capital could be large or small depending on various market conditions. <p>Investors should consult their financial advisers if in doubt on whether the Sub-Fund is suitable for them.</p>			Refer to Paragraph (b) of Section 6 of Appendix 1 to the Singapore Prospectus for further information on product suitability.
KEY PRODUCT FEATURES			
WHAT ARE YOU INVESTING IN?			Refer to Paragraph 1.1 of, and Paragraph (b) of Section 6 of Appendix 1 to, the Singapore Prospectus for further information on features of the Sub-Fund.
<ul style="list-style-type: none"> • You are investing in a sub-fund of the Fund, which is an umbrella-structured, open-ended investment fund constituted as a public limited company (<i>société anonyme</i>) under the laws of Luxembourg. • The Fund is an investment company with variable share capital (<i>société d'investissement à capital variable</i>) under Part I of the Luxembourg law of 17 December 2010 (as amended) relating to collective investment undertakings and qualifies as an UCITS. • The Sub-Fund aims to provide income with the opportunity for capital growth (i.e. to grow the value of your investments) over the long-term. 			
<ul style="list-style-type: none"> • Distribution: <ul style="list-style-type: none"> ○ Accumulation Shares: The Shares accumulate net income received from the Sub-Fund’s investments, meaning net income is kept in the Sub-Fund and is reflected in the price of the Shares. ○ Income Shares: Except where otherwise provided in the Prospectus, dividends may be distributed on a monthly basis. You should note that 			Refer to Paragraphs 1.4 and 20.1 of, and Paragraph (e) of Section 6 of Appendix 1 to, the Singapore Prospectus for further information on

¹ The Prospectus is available for collection during normal Singapore business hours from Ninety One Singapore Pte. Limited at 138 Market Street, CapitaGreen #27-02, Singapore 048946.

² Acting as the depositary.

<p>unless otherwise instructed and subject to any minimum dividend restrictions contained in the Luxembourg Prospectus, dividends will be automatically re-invested into further Income Shares in the Class of Income Shares from which the income was received.</p> <ul style="list-style-type: none"> ○ For any Inc-2 Share Class and any Inc-3 Share Class, the distribution policy is to distribute gross income and the long term expected level of gross income respectively. Accordingly, the expenses related to such Share Class will be deducted from its capital account. This will have the effect of increasing the Share Class's distributions (which may be taxable) whilst reducing its capital to an equivalent extent. This could constrain future capital and income growth. In addition, this may result in the erosion of the capital invested and a reduction of such Share Class' Net Asset Value. It will also mean that on a redemption of holdings, Shareholders may not receive back the amount they initially invested. 	<p>distribution policy and frequency.</p>
Investment Strategy	
<ul style="list-style-type: none"> • The Sub-Fund seeks to limit volatility (the pace or amount of change in its value) to be lower than 50% of the volatility of global equities. While the Sub-Fund aims to limit its volatility to be lower than 50% of global equities there is no guarantee that this will be achieved over the long-term, or over any period of time. • The Sub-Fund is actively managed and invests in a broad range of assets around the world. These assets may include equities (e.g. shares of companies), debt securities (e.g. bonds), money market instruments, deposits, alternative assets (such as commodities, property and infrastructure), other transferable securities (e.g. shares of closed-ended investment companies, exchange traded products and equity related securities such as depository receipts, preference shares, warrants and equity linked notes), derivatives (financial contracts whose value is linked to the price of an underlying asset), and units or shares in other funds. • Investments may be held directly in the asset itself, other than in commodities, property or infrastructure, or indirectly (e.g. using derivatives). Normally, the Sub-Fund's maximum equity exposure will be limited to 40% of its assets. • The Sub-Fund focuses on investing in securities that offer a reliable level of income and opportunities for capital growth in many market conditions. Investment opportunities are identified using in-depth analysis and research on individual companies and borrowers. • The Sub-Fund promotes environmental and social characteristics in line with Article 8 of the SFDR as described in the Sub-Fund's Sustainability Disclosures (see Appendix 3 of the Luxembourg Prospectus for more information). • The Sub-Fund may use derivatives for hedging, Efficient Portfolio Management and/or Investment Purposes. 	<p>Refer to Paragraph (b) of Section 6 of Appendix 1 to the Singapore Prospectus for further information on the investment objective, policy and strategy.</p>

VALUATIONS AND EXITING FROM THIS INVESTMENT												
<p>HOW OFTEN ARE VALUATIONS AVAILABLE? Valuations are performed on each Valuation Day. The net asset value per Share of each Class within the Sub-Fund will be published on every Valuation Day on the website (www.ninetyone.com) and may be published in leading financial newspapers and websites worldwide as the Fund may decide.</p> <p>HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?</p> <ul style="list-style-type: none"> Any Shareholder may apply for redemption of his/her Shares in part or in whole on any Business Day. Applications for redemption of Shares have to be submitted to the Registrar and Transfer Agent via the Approved Singapore Distributors, and must be received in good order on each Valuation Day by the Dealing Deadline. Once a valid application for redemption has been received, it may not be revoked (other than in a case where certain cancellation rights apply). The Board of Directors may permit a revocation of a valid application to redeem Shares in exceptional circumstances, provided that the application has not been processed and the Directors believe that permitting such revocation would not be detrimental to existing Shareholders in the Fund. Redemption proceeds will normally be made in the currency denomination of the relevant Share Class, and the Registrar and Transfer Agent will issue payment instructions to its correspondent bank for payment normally no later than three (3) Business Days after the relevant redemption request. The redemption price per Share is determined on a forward pricing basis, as follows: <ul style="list-style-type: none"> If you submit your redemption request before the Dealing Deadline, the price you receive will be based on the net asset value of the Sub-Fund at 4:00 p.m. New York City time on that Valuation Day. If you submit your redemption request after the Dealing Deadline, the price you receive will be based on the net asset value of the Sub-Fund at 4:00 p.m. New York City time on the next Valuation Day. The redemption proceeds that you will receive will be the redemption price per Share multiplied by the number of Shares redeemed. An example is as follows: <table style="margin-left: 40px; border: none;"> <tr> <td style="text-align: right;">1,000 shares</td> <td style="text-align: center;">x</td> <td style="text-align: right;">US\$2.00</td> <td style="text-align: center;">=</td> <td style="text-align: right;">US\$2,000</td> </tr> <tr> <td style="text-align: right;"><i>Redemption request</i></td> <td></td> <td style="text-align: right;"><i>Notional redemption price</i></td> <td></td> <td style="text-align: right;"><i>Gross redemption proceeds</i></td> </tr> </table> Confirmations of completed redemptions will be sent via fax or post at T+1, as applicable, or other means of electronic communication (subject to the acceptance by the Shareholder of any electronic delivery terms imposed by the Fund and/or the Registrar and Transfer Agent) as agreed with the Shareholder. 		1,000 shares	x	US\$2.00	=	US\$2,000	<i>Redemption request</i>		<i>Notional redemption price</i>		<i>Gross redemption proceeds</i>	<p>Refer to Section 7 headed “Redemptions” and Section 18 headed “Valuation” in the Singapore Prospectus, and Paragraph 6.6 of the Luxembourg Prospectus, for further information on valuation and exiting from the Sub-Fund.</p>
